Subject: **2010 Rebreed to One Hot Krymsun**

Dear Mare Owner,

Thank you for choosing One Hot Krymsun for your mare in the 2009 breeding season. We're sorry that your mare is not expecting a 2010 foal and we want to assure you we will do everything we can to make sure you have a foal on the way for 2011.

One Hot Krymsun will again be standing the 2010 breeding season at Pilot Knob Quarter Horses in Pinnacle, North Carolina under the management of Mike Hay. While 2009 started out to be a slow year due to the economy, thanks to our owners we are happy to report that we filled One Hot Krymsuns book and had the best year ever in terms of the quality of mares bred.

One Hot Krymsun has always had very high pregnancy rates and very high first cycle pregnancy rates. Last year we were pleased that those pregnancy rates were even higher in 2009. But every mare counts in our book, so we want to add your mare to the success column for 2010 just as much as you do! To help us do that, we are asking that you provide the following:

1. We have attached a form to advise us of the details of your rebreed. We would very much appreciate it if you would completely provide or review and correct the information as needed so that we can update our records with any changes.
2. If your mare did not conceive in 2009, or if she conceived and aborted before full term, please start this season by obtaining a clean uterine culture with cytology and forward the result to us.
3. If your mare aborted after 120 days of pregnancy or delivered a foal that did not stand and nurse, please provide a vet statement describing the situation and proof of immunizations. We have a form you may use, but any vet statement will suffice.

Help us plan early to make sure we can do the very best job for you. Please do not wait until you need a shipment to send in your paperwork. 2010 is your rebreed year, so its important to us that you get a 2011 foal. However we understand that factors beyond your control can impact your ability to get your mare bred in the rebreed year. This year we are allowing carry-overs with booking fees as follows:

Booking Fee in 2010 if breeding was a fully paid breeding in 2009	Waived
Booking Fee in 2010 if breeding was a partially paid breeding under pay-as-you-breed special terms in 2009 (1/2 the standard booking fee)	\$250
Booking Fee in 2010 if breeding was a donated breeding in 2009	\$500
Booking Fee in 2010 if breeding year was:	
2008	\$500
2007	\$750
2006 or earlier	\$1000

We're looking forward to working with you to get and keep your mare in foal. If you have any questions about your rebreed, please don't hesitate to call Mike Hay or me.

Sincerely,

Rebecca Bailey
Bailey Farm LLC
